Homeroom Activities

	Modules	Homeroom
Math/Science	Gallagher or Brady	
Language Arts/Social Studies	Nhan or Ling	
Specials (Art, P.E., Music), Field Trips, School-Wide Events, Holiday Parties		✓ (all teachers)

We continue grade-level team planning to provide integration and consistency across all curricular areas.

Core Subjects

Ms. Gallagher and Ms. Brady will teach science and math. Ms. Nhan and Ms. Ling will teach language arts and social studies.

Classes are heterogeneous with the exception of one math class (Ms. Gallagher) and one language arts class (Ms. Ling), which are co-taught with Mr. Kirkman and offer additional enrichment.

What assessments are used to determine core class placement?

- SOLs from prior years
 - APS math assessments from prior year and beginning of year
 - Writing prompt scores
 - DRA and DSA scores from prior-year
 - Identification (Special Education, ESOL/HILT, Gifted)

Behavior Expectations

In the first week of school, students developed their own code of conduct:

- Respect yourself, others, and property
- Be kind, safe, participate and cooperate
- Try your hardest

Refocus forms will be issued after a warning when students disrupt the classroom environment. Parents will receive an email when their child has received a refocus form.

Refocus Forms

- Should a student receive three refocus forms, a parent-teacher-student conference will be requested.
 - Once five refocus forms have been issued, the student will lose a fifth grade privilege.
 - Students on Tech Crew, News Team or Safety Patrol may receive additional consequences. Please contact Mr. Harvey or Mr. Richards for details.

Volunteer Opportunities

Parent volunteers are a HUGE part of our success in the classroom!

Interested in being a room parent? Email your child's homeroom teacher to volunteer.

Refer to your handout for a list of available events and opportunities for volunteers.
