Habitat Days

Parent Volunteers Needed!

Every class is going to be spending some time in our school gardens on Habitat Days, and we need your help! Volunteers will either lead the students in a quick activity, help the students with planting or weeding, or train them on how to take care of the plants. Even if you don't have any gardening experience, don't worry--our fearless Habitat Days parent coordinators will help train you. This year we are looking for volunteers who can commit to spending at least an hour or two with us--if you can stay for longer, like a half-day or the whole day, go ahead and sign up for more than one shift! **Sign up here:**

Please email Ms. Lin at stephanie.lin@apsva.us if you have any questions. (Gardening times for each class have not been set yet--we should have that information soon.)

Ask Your Wonder...

- to share some ways s/he can show responsibility in the classroom and at home
- to find shapes with right angles around the house
- to identify the problem and solution in a realistic fiction story
- to count backwards from 30 or count up to 110 by ones
- to tell you what s/he learned about natural resources and the sun in Investigation Station
- about his/her favorite song in the concert
