

The Natural Wonder

June 2018

Math Summer Review

Help your mathematician maintain a strong math brain over the summer! APS Summer Math Reviews are available at this link:

<https://www.apsva.us/mathematics/summer-reviews/>

Select the grade level that your child **completed** this year and print that review for practice throughout the summer. Your child can also complete any unused pages in the math homework book and continue using Reflex Math!

Have a great summer!

The Natural Wonders have had a wonderful first grade year full of learning, growing, and fun. We wish everyone a safe, happy, and healthy summer! See you in the fall ☺.

Upcoming Dates

June 5th: Volunteer Reception

June 8th: Field Day (1st grade color is BLUE)

June 18th: First Grade Celebration

June 20th: Last Day of School

July 3rd & August 7th: Summer PTA meetings in library

September 4th: First Day of 2018-2019 school year

Teach our Class!

In our final social studies unit, first graders will learn about countries around the world. If you are from another country, have lived abroad, or have an interest in another culture, we invite you to share your country with our class. Throughout the month of June, we are inviting parents to prepare a short 10-15 minute presentation on your country of choice to our class. Ideas of topics include (but are not limited to): geography, music, dance, art, food, language, clothing and culture. Please send your homeroom teacher an email if you have an interest in presenting to your class and we will find a day and time that works.

From, Ms. Chai, Ms. Evans, Ms. Goodman, Ms. Kallassy, Ms. Pollard, Ms. Spohn, Ms. Worley, Ms. Zukas
