The Music's in Me

**When I hear music
Music with a rockin' beat
My hands start clappin'
My toes start tappin'
I've gotta move my feet**

**I love that rhythm
I could never get my fill
Cause when I hear that music play
You know that I just can't sit still**

**The music's in me
It keeps me rockin' you see**

**The music's in me
It keeps me rockin' you see**

(Instrumental Break)

**When I hear music
Music with a rockin' beat
My heart starts thumpin'
My blood starts pumpin'
I've gotta move my feet**

**I love that rhythm
There's nothing like a rockin' song
And when I hear that music play
You know I've gotta sing along**

**The music's in me
It keeps me rockin' you see**

**The music's in me
It keeps me rockin' you see**

**The music's in me
It keeps me rockin' you see**

**The music's in me
It keeps me rockin' you see**

A Song That's Just for You

It may be high or low

It may be fast or slow

It may be short...or long

It could be rap or rock

It could be bop or Bach

It could be soft...or strong!

It doesn't matter what the tune is
Or if the style is old or new
If you enjoy the sound
It means you might have found
A song that's just for you

(THINK THE SONG)

It may be high or low
It may be fast or slow
It may be short...or long

It could be rap or rock
It could be bop or Bach
It could be soft...or strong!

It doesn't matter what the tune is
Or if the style is old or new
If you enjoy the sound
It means you might have found
A song that's just for you

Every Kind of Music

Every kind of music

Gotta have music

Give me lots of music

To sing and dance and play

Feel the beat a movin’

Singin’ a song to make my day

Makes me swing and sway singin’ on the way

(THINK THE SONG)

Every kind of music
Gotta have music
Give me lots of music
To sing and dance and play

Feel the beat a movin'
Singin' a song to make my day
Makes me swing and sway singin' on the way

(SING TWO TIMES)

Sing Me a Story

Sing me a story
A story in song
So many stories to tell

Sing me a story
A story in song
Cause music tells stories so well

Stories with features
Of magical creatures
Or journeys that take us along

Tall tales or small tales
But **the** best of all tales
Are tales that are told with a song

(Short Instrumental Break)

Sing me a story
A story in song
So many stories to tell

Sing me a story
A story in song
Cause music tells stories so well

Stories with features
Of magical creatures
Or journeys that take us along

Tall tales or small tales

Major Minor

This is a song sung in a ma-a-jor key.

Hear how it sounds. Oh so bright and happy.

*If that is not how you're feeling right now,
we can just change, the key.*

Major Minor

This is a song sung in a mi-i-nor key.

Hear how it sounds. Oh so sad and gloomy.

If that's your mood then this music's just right.

This is a minor key.

Major Minor

Now you have sung in major and minor.

You've heard their sounds.

Which one do you prefer?

Music can sound like the mood that you're in.

You just decide and begin.

(Sob!)

Wheeee!

We like to Play the Sticks

We like to play the sticks
(tap sticks 4x)

We like to play the sticks
(tap sticks 4x)

Play them very quietly
(tap sticks 4x quietly)

Play them very loudly
(tap sticks 4x loud)

Everyday, anyway

We like to play

We like to play the sticks
(tap sticks 4x)

We like to play the sticks
(tap sticks 4x)
Any kind of weather
When we're all together

We like to...
(tap sticks 4x)
