First Grade Habits

First graders have been learning about responsibility at school. They have learned that being responsible means doing the right thing without reminders. While we are busy teaching responsible school habits, we encourage you to build or strengthen responsible habits at home, too! Ideas include:

- Getting to bed at an appropriate time
- Bringing a snack to school each day
- Bringing back homework and library books on the appropriate day

Thanks for your support at home!

Volunteers

APS has a new procedure for **all** parents who wish to volunteer in the classroom or chaperone a field trip. Information was sent home in an email by your child's teacher on 9/20. Please visit this [link](#) to complete the required application and get a link to online training. Thank you in advance for your time!

Ask Your Wonder...

- About a game or activity s/he has played during Math Workshop
- What s/he learned in the first two Science City classes
- How s/he uses cooperation at school
- To tell you about one of his/her small moment stories from Writing Workshop
