Week ONE Clap and count your rhythms in the Spring Concert Music, then play when you've mastered the positions/fingerings. Play the piece in sections or chunksNOT all at once.									
Week TWO Continue week one hw and start using the book for reference (do you have the correct positions/fingerings, note values, rhythms?).									
Week THREE Continue week two hw, and try recording the spring concert music. After you record it, listen and analyze what went well and what needs work. BE SPECIFIC and mark anything with a pencil.									
Week FOUR If you're ready to move on, play the entire spring concert piece. Then play it for a family member. Be ready to show off for Ms. Shine and Ms. Taylor because when we return, there will only be 4 weeks left until our May 11th concert. YAY!									

What QUESTIONS do you have for Ms. Taylor and Ms. Shine? Email us or share a video via google drive!
