

Summer Time Illustration

Please feel free to email me with any questions – julie.suarez@apsva.us

Grades: K, 1st, and 2nd

Artist Challenge: The students will illustrate what they might do over the summer. For example, students might draw themselves going to the beach, camping, or reading books. Using paper and pencil draw something that you might do over the summer, (Markers, colored pencils, and crayons may be used if available. If supplies are not available, you are welcomed to use your iPad.)

Questions:

- What do illustrators do?
- How do illustrators make books more interesting?
